

# **Lesson Plans that Promote Active Engagement Using Technology**

**HOW DID YOU DO  
THAT?**

1. Clip of testimonials from students
2. Discuss current uses of tech in the classroom
3. Structural Lesson Plan
4. Build a tech toolbox
5. Align tech from toolbox with activities from structured lesson plan
6. Create a rough draft of a completed lesson plan using aligned activities and tech resources from toolbox
7. Exchange ideas between groups and come back together to finalize/revise the lesson plan draft
8. Create a multimedia presentation of lesson plan and activities that illuminates (engage), facilitates (instruct/guide) and validates (assess) student learning
